Dear Mr. Felton,

Thank you so much for the sponsorship to attend the Jumpstart National Educator Conference in Washington, DC, this past weekend.

This was my fourth J&NEC in the past six years, and as always, I came home re-energized with wonderful new ideas to use in my financial literacy course.

I teach in a rural district in Central Illinois and would not be able to attend a conference of J&NEC quality without the scholarship. Thank you again, for providing this opportunity.

Sammy Desmond
