Mr. Selby~

Thank you so very much for your sponsorship, which allowed me to attend the JumpStart National Conference in Atlanta. This was my very first time attending and I truly enjoyed my experience! Aside from the amazing sessions, I was able to meet and connect with so many wonderful Personal Finance teachers with whom I will continue to network in the future. My state, Michigan, recently adopted personal finance as a required course so these connections will be so beneficial. Thank you again! Kristin O'Brien
