

LEWIS S. MILLS HIGH SCHOOL

Dear Fred:

Thanks so much for the scholarship - as always it was a great conference with lots of great materials & websites.

I so enjoyed chatting with you & the other teachers - it always is good to hear what others are doing in their classrooms.

Our class of 2023 is required to take Personal Finance as a graduation requirement - it's to ten years but we finally have it.

Barbara Angelicola-Manzoli, Business Educator
